

RESEARCH ON MEN AND MASCULINITIES SERIES

Series Editor:

MICHAEL S. KIMMEL, SUNY Stony Brook

Contemporary research on men and masculinity, informed by recent feminist thought and intellectual breakthroughs of women's studies and the women's movement, treats masculinity not as a normative referent but as a problematic gender construct. This series of interdisciplinary, edited volumes attempts to understand men and masculinity through this lens, providing a comprehensive understanding of gender and gender relationships in the contemporary world. Published in cooperation with the Men's Studies Association, a Task Group of the National Organization for Men Against Sexism.
